BEEFSPOTTER

...the Feedlot Atlas

The 2012 edition of **BeefSpotter** is **NOW AVAILABLE!**

The 2012 edition of the **BeefSpotter Feedlot Atlas** provides map locations and contact information for more than 650 feedyards in the US. For over 20 years this publication has provided listings for Feedyards and Auction Barns with the recent bonus of addresses for Cattle Washouts and maps for the largest Beef Packers in the U.S.

Feedyards, cattle haulers, livestock feed companies, animal health companies and cattle industry trade associations use this important publication to locate and track feedyards and related businesses. The **BeefSpotter** is the go-to book for up-to-date information on the cattle feeding industry.

Coming in June 2012 from **SpotterPublications**: the newest edition of the **DairySpotter**, which provides maps, GPS coordinates and contact information for the 300 largest dairies in California, the 300 largest dairies in other Southwest states, and contact information for many more dairies in the western region of the US.
